RENEWED PETITION UNDER 37 C.F.R. § 1.47(a)

Mail Stop Petition
Commissioner for Patents

Alexandria, VA 22313-1450

Sir:

This renewed petition under the provisions of 37 C.F.R. § 1.47(a) is submitted in response to the Decision on Petition mailed on January 5, 2007.

The Decision found that the applicant's Petition filed on November 14, 2006, satisfied the requirements for the fee under 37 C.F.R. § 1.17(g), a statement of the last known address of the missing inventor, and an oath or declaration by each 37 C.F.R. § 1.47(a) applicant on his or her behalf on behalf of the non-signing joint inventor.

The Decision also found that the applicant provided evidence to support the contention that non-signing inventor Hendrikx could not be located after a diligent effort. However, in view of the new address discovered for Mr. Hendrikx on the date of the petition, the USPTO dismissed the Petition, without prejudice.

The USPTO asked for confirmation in a renewed petition that Mr. Hendrikx has not responded to the mailing of November 14, 2006 referred to in the original Petition.

Submitted herewith is a January 29, 2007, Statement of Facts by Ms. Christine Davids confirming that Mr. Hendrikx has not responded to the mailing of November 14, 2006.

It is respectfully requested that the applicant's petition under 37 C.F.R. § 1.47(a) be granted.

Should the Petitions Officer have any question of form or substance, he or she is encouraged to contact the undersigned attorney at the telephone number and address listed below.

Respectfully submitted,
